Mr. Trachtman,

The Rehabilitation Institute of Chicago (RIC) is conducting the Preliminary Inquiry in accordance with RIC policy. Dr. Harden is an RIC employee and the subject research was conducted at RIC through agreements where RIC was the party. Although we understand you may have directed the inquiry to Northwestern University, as you are aware, NU tendered the inquiry to RIC. However, due to Dr. Harden's joint affiliation with NU and the reference to NU in the publications, RIC is collaborating and communicating closely with NU in the handling of this issue.

As part of RIC's Preliminary Inquiry, RIC intended to communicate with the three complainants in order to obtain any additional information. To the extent your email is meant to notify RIC that you are representing Dr. Kirkpatrick as to this issue, we will ensure that all future communications with him on this issue will go directly to you. RIC takes any allegation such as you have raised seriously and proceeds to investigate in accord with its policies. Please let me know if you or the other complainants would like to provide additional information or documentation in support of your allegations. Otherwise, a copy of the Preliminary Inquiry Committee Report will be available to you and the other complainants on Oct. 22, 2010.
